## **Questions on Access + Stewardship Grants Form**

*Update 7/30/21*

1. What is your name?
2. What is your email address?
3. What is the name of your organization?
4. Where can more information about your organization be found online?
5. What type of project is this? (please select all that apply)
  - a. Land purchase
  - b. Land swap
  - c. Conservation easement with public access
  - d. Public easement on private land
  - e. Private landowner incentive program for public access
  - f. Land restoration at public recreation area
  - g. Trail building
  - h. Trail maintenance or re-routing
  - i. New recreation infrastructure to reduce impacts
6. Where is the proposed site located? Please provide coordinates for the center of the project, the trailhead, or the access point.
7. If you'd like to share a map of the project area, please attach it.
8. Which outdoor activities will the site offer? (select all that apply)
  - a. Hiking, trail running, and/or backpacking
  - b. Hunting
  - c. Fishing
  - d. Motorized recreation (summer or winter)
  - e. Backcountry skiing and splitboarding
  - f. Nordic skiing
  - g. Mountain biking
  - h. Bikepacking
  - i. Horseback riding
  - j. Climbing / mountaineering
  - k. Paddle sports (kayaking, canoeing, SUP)
  - l. Other(s)
9. Tell us about this site. What makes it special or especially in need of funding? Why is this location a priority for your organization?
10. How much funding is being sought from onX?
11. What would funding from onX be used for?
12. Upload a project cost document here, if available.
13. Describe the current status of the project, including any approval processes or appraisals that have been completed or still need to be completed.

14. If this project were to receive funding from onX *tomorrow*, approximately **when** would the project be complete and open for public access?
15. Is your organization working with any local or Tribal governments, state or federal agencies, or other businesses or nonprofits on this particular project? If so, please describe their role(s) in this project.
16. What is the size of the project site in acres? (Enter "0" if this project is best measured in miles)
17. Miles of trail that will this project build, maintain, or restore? (Enter "0" if this is not a trail project)
18. Will the site provide access to water recreation?
19. Once complete, when will the site be open to the public? (select all that apply)
  - a. Winter
  - b. Spring
  - c. Summer
  - d. Fall
20. If this project receives the necessary funding, how many years will it be secured for public access?
  - a. 10 years or fewer
  - b. 11-19 years
  - c. 20 years or more
  - d. In perpetuity
21. Do you have additional funding secured or is your organization applying for additional sources of funding?
22. Will the site offer opportunities for education or research?
23. Will the site require clean up or restoration before opening/re-opening to the public? If so, describe the planned work.
24. If your planned project includes site clean-up or restoration, please provide a photo of the site demonstrating the work needed.
25. If this project receives the necessary funding, will any of the following features be included at the site?
  - a. Universal design, ADA access
  - b. Educational signage about multiple uses (e.g., how to share the trail)
  - c. Tribal land acknowledgement signage
  - d. Educational signage about noxious weeds and/or reducing wildlife impacts
  - e. Trash receptacles
  - f. Boot brush to reduce weed spread
26. Do you have any additional information you'd like to share with onX about your project site?
